EEEHH?!

WHERE DO I GO NOW?
IS IT OK FOR ME TO GO BACK TO MURASE-SAN'S PLACE?
BUT I WAS SO MEAN TO HIM
HE MUST HATE ME NOW

I'M SORRY I WAS MEAN TO YOU.
I WILL PROPERLY SERVE MURASE-SAN FROM NOW ON!

BUT I GUESS YOU'LL HATE ME NO MATTER WHAT I DO.
THAT'S A RELIEF...
SAME HERE, PLEASE TAKE CARE OF ME.
YES!
EH?
NO, NO, IT'S FINE, SINCE WE DON'T HAVE A BROKEN CONTRACT FEE NOW.
THANKS FOR OVERLOOKING IT.
THIS ROBOT RAN AWAY FROM ITS MASTER AND WAS SUPPOSED TO BE DISPOSED OF.

BORING
Ah
DOES THAT EVEN COUNT AS AN APOLOGY?
WELL, AT LEAST THAT EVIL FEELING IN THE ROOM IS GONE NOW
I THREW OUT ALL YOUR FIGURES
ANYWAYS I'M SORRY
WHA-
EN-JOY...?
WELL THEN I'M GOING TO ENJOY MYSELF WITH YOU
WHAT'S PAST IS PAST, IT'S FINE

THIS IS TOO MUCH!

The 1st Story, End

Hi Kasmania here. You are reading/about to read/have just read (choose whichever is appropriate) what I personally like to call a FAILTRANSLATION or FTL. Simply put I call it that because I didn't know anything about the Japanese language before I started this translation (besides what I picked up from anime). This entire chapter was translated with 2 dictionaries (one online thank you WWWJDIC) a plastic foldout grammar sheet I bought for 8 bucks and an online grammar guide. Oh, and GUTS. Just goes to show that you can do (almost) anything you set your mind on.

But don't expect any other chapters from me until April, unless you can offer me up to $4000 USD my parents have made me a very generous offer provided that I do well enough on my upcoming MCATs so that's going to eat my time. I'd like it if some other group would pick up this project it's rather annoying reading the story line by painfully translated line.

Oh, and would somebody PLEASE sub the second episode already?
